

XTZ125

The road registerable XTZ125 is the ideal do-anything bike down on the farm.

From dusk until dawn, our latest farm workhorse is ready, willing and able. Built Yamaha tough and tested on South Island stations, the XTZ125 is a dependable all-rounder on the farm and comes packed with effort saving electric start, a useful rear rack and a low maintenance air filter system. Whether your day leads you to public roads or narrow hillside tracks, the road legal 124cc four stroke XTZ125 is the right tool for the job. The compact design, comfortable low seat and LCD instrument panel make the XTZ125 the ideal multi-purpose bike for farms.

Rear wheel accepts wide range of good quality tubeless tyres that can easily be repaired in an emergency.
