TW200

Mineral Blue
\$4,599 MSRP

TOP FEATURES:

1. Terrain-Conquering Tires

Those big fat tires deliver great traction and rider comfort over a wide range of terrain, and they make the TW200 the most distinctive-looking, dual-purpose machine around.

2. Low Seat Height

A low seat and compact chassis help inspire confidence in anybody who rides the TW200, making it one of the most user friendly on/off-road bikes on the market.

3. Electric Start

Electric start and full street equipment mean it's super convenient to ride the TW200 just about wherever you need to go.

Manufacturer's Suggested Retail Price (MSRP) shown. Does not include tax, title, prep or destination charges. Actual prices set by dealer.

FEATURES & BENEFITS

ENGINE:

Torquey Powerplant

Strong-pulling 196cc air-cooled, four-stroke single delivers torquey low-and mid-range power perfectly suited to off-road exploring.

5-Speed Transmission

Smooth-shifting five-speed transmission with manual clutch puts potent powerband to the ground for maximum on- and off-road performance.

Smooth, Counterbalanced Engine

Internal engine counterbalancer keeps vibrations down for greater all-day comfort.

Digital Ignition

Maintenance-free CDI ignition system ensures precise, reliable spark for peak engine performance at all rpm.

Electric Start

Easy, reliable pushbutton electric starting.

Low Maintenance Engine

Automatic cam chain tensioner means minimal maintenance and longer engine life.

CHASSIS/SUSPENSION:

Plush, Long-Travel Suspension

33mm telescopic front fork with 6.3 inches of travel soaks up the bumps for a plush ride.

Terrain-Conquering Tires

Fat 130/80-18 front and 180/80-14 rear tires provide excellent traction, control and the TW200's unique dual-purpose style.

Lightweight Swingarm

Lightweight box section swingarm and single rear shock with 5.9 inches of travel help enhance handling and overall comfort both on- and off-road.

Disc Brake

Hydraulic front disc brake ensures greater stopping power with less effort.

ADDITIONAL FEATURES:

Comfortable Saddle

Long, two-tone, motocross-style seat creates a balanced riding position for optimal rider movement and comfort.

Protective Fenders

Durable and wide front fender is designed to keep mud and dirt off the rider off-road.

Passenger-Ready

Frame-mounted passenger foot pegs provide two-up riding capability.

Bright Illumination

Enduro-style, 60/55-watt halogen headlight features high/low beams.

Dual Sport Lighting

Flex-mounted turn indicators offer greater durability against breakage.

Fork Protection

Durable fork shrouds help prevent rocks and debris from damaging fork sliders.

Complete Instruments

Standard instrumentation includes a speedometer with odometer and resettable tripmeter as well as indicator lights for neutral, high beam and turn signals.

Modern Battery

Dependable, low-maintenance battery.
